

FALL 2026 APPLIED MATH UNDERGRADUATE MIXER

All Applied Math majors and minors are invited to connect with fellow students and meet faculty, instructors, TAs, learning assistants, and academic advisors. Attendees will have the opportunity to discover campus resources, academic opportunities, and ways to get involved.

Whether you're new to Applied Math or returning this fall, come meet your peers, build connections, and kick off the academic year with your Applied Math community!

Lunch will be provided

**First 100 attendees
will receive an
Applied Math t-shirt**
